13/08/2022	Unknown	E-mail	Odour	Tarago Village	Complainant reported that "While I appreciate that water causes grief in terms of odour, and that odour has been an issue for the past couple of weeks, it has been in the order of understandable; however, this morning is just foul. I tried to walk our dog this morning, but had to retreat inside as the odour is so bad this morning. I have reported the odour to the EPA."	An assessment of meteorological data and operational activity has been completed in order to investigate the potential source or cause of odour was undertaken. In consultation with the NSW EPA, an in-depth and detailed analysis approach to investigating reports of odour is being undertaken.
